

# DRYDOCK

RESTAURANT & TERRACE

The Drydock can accommodate up to 280 guests, divided into 2 separate sections. The "al Fresco" terrace, situated on the water's edge overlooking the yacht basin, can accommodate up to 140 guests.

The upper deck seating 140 guests enjoys breathtaking views of the Knysna lagoon, the Knysna heads, and the bustling quays.

The Drydock caters for small and large parties and always ensures an unforgettable evening. Tailor made menus can be created to suit every occasion.

Should your group have special dietary requirements, we cater for these inclusive of the menu price. Our function manager and Chef will gladly assist you with menu selection from the current portfolio, or if required, design alternative menus for your consideration.

Our set menus and prices are valid from the 1st September 2023 until the 31st August 2024.

THE ONLY THING WE OVERLOOK AT THE DRYDOCK IS THE KNYSNA LAGOON
